Science sponsors

Organisation

Ana Fernandes, CBIOS U Lusofona
Gabriela Postolache, CBIOS U Lusofona
Hugo Alexandre Ferreira, IBEB U Lisboa, Faculty of Sciences
Luís Monteiro Rodrigues, CBIOS U Lusofona and U Lisboa, School of Pharmacy

Meeting Chairman

Luís Monteiro Rodrigues

Institutional science partners

“On behalf of IUPS Executive Committee (ExCo) I would like to congratulate the Portuguese Physiological Society (SPFis) for its official registration in your country. The IUPS is pledged to joint force with national and regional physiological societies and federations to promote physiology in research and education towards the realization of our motto “Physiology without borders”. Particularly, the inclusion of a debate on “what does the future hold for physiology” is timely relevant to the mission of IUPS to return physiology to center stage of biomedical science.”
Professor Julie Chan, President of IUPS

“I would like to congratulate you about launching the Portuguese Physiological Society and organising its first international event... and look forward to co-operating with you.”
Professor Dr. Bayram Yilmaz, Secretary General of IUPS

“On behalf of the APS Conference Committee, APS is pleased to support the 1st International Meeting of the Portuguese Society of Physiology”
Julie Levin, Meetings Manager, The American Physiological Society

“The Physiological Society is pleased to support the Portuguese Physiological Society’s Physioma2019 conference. This is an important time for physiology across the world and we welcome this new initiative. I look forward to working with the Portuguese Physiological Society now and in the future.”
Professor Bridget Lumb, President of The Physiological Society.

Physioma 2019

ISCTE IUL – Cidade Universitária
Lisboa, Portugal

10th to 11th October 2019

Ist International Meeting of the Portuguese Society of Physiology (SPFis)

Preliminary Program

October 10h (Thursday)

08:30 Welcome

Secretariat opening / Exhibitors venue

09:30 Opening Workshops (WS)

WS1 Physiological computing: The BITalino platform

Coordinators: **Hugo Silva & Hugo Ferreira**

WS2 Advanced methods for non-invasive measurement of microcirculation

Coordinators: **Gabriela Postolache and Octavian Postolache**

Poster Installation

Exhibition Stand Installation

.....

14:00 Opening ceremony

L Monteiro Rodrigues, Chairman of *Physioma 2019 and the organisation*

14:15 **Theme 1 Beyond Integrative Physiology – the Physiome**

Moderator **Felix Carvalho**, Chairman of the Portuguese Soc. Pharmacology (SPF);
President Elect of EUROTOX, the Federation of European Toxicologists and
European Societies of Toxicology

Keynote Speaker **Jose Viña**, Professor of Physiology, Universidad Valencia

14:45 Podium Presentations

15:45 Coffee-break and visit to Posters and exhibitors

16:30 **Theme 2 Chronophysiology**

Moderator: **Claudia Cavadas**, CNC - Center for Neuroscience and Cell Biology &
Faculty of Pharmacy, University of Coimbra

Keynote Speaker **Debra J. Skene**, Professor of Neuroendocrinology, U Surrey

16:55 Podium Presentations

17:45 Discussion
Visit to Posters and Stands

18:15 General Assembly of SPFis
Election of the Board for the Mandate 2019-2022

IMPORTANT NOTE:

Only the regular associated members of SPFis can attend this general assembly

1. Presentation of the running lists (strategy / critical aspects/ profile of candidates)
2. Election of the Board (social organs) of the SPFis for 2019-2022
3. Other issues

21:00 Dinner (to announce)

October 11h (Friday)

08:30 Secretariat opening

09:15 Theme 3 Physiology of Stress

Moderator: **Pedro Villa Polo**, Full Professor Physiology, Director of the PhD Program in Health Sciences U Alcalá - Facultad de Medicina

Keynote Speaker **João Laranjinha**, Centre for Neurosciences and Cell Biology, University of Coimbra

09:45 Podium Presentations

10:30 Coffee-break and visit to Posters and Stands

11:15 Theme 4 By way of the Skin

Moderator: **Catarina F.Rosado**, Group Leader (Drug Delivery Systems) Res.Center for Biosciences and Health Technologies (CBIOS)

Keynote Speaker **Joachim Fluhr**, Charité - Universitätsmedizin Berlin. Klinik für Dermatologie, Venerologie und Allergologie

11:45 Podium Presentations

12:30 Snack and visit to the area (Posters / Stands)

14:30 **Theme 5 Physiological Informatics**

Moderator: **Antero Abrunhosa**, Director of ICNAS (Institute for Nuclear Sciences Applied to Health) U Coimbra

Keynote Speaker **Hugo Silva**, IT-IST, U Lisboa

15:00 Podium Presentations

15:45 Coffee-break and visit to Posters and exhibitors

16:30H

Theme 6 Debate – “What does the future hold for physiology?”

Moderators: **Luis Monteiro Rodrigues** and **Hugo Ferreira**

Intervenients

CNECV, the National Ethical Council for Life Sciences* (to indicate)

Jorge Garcia Seoane

Chairman of the Spanish Society of Physiological Sciences (SECF), Full Professor of Physiology (U Complutense Madrid)

Ricardo A. Afonso

President of the Portuguese Soc. of Laboratory Animal Sciences & NOVA Medical School | Faculdade de Ciências Médicas da Universidade Nova de Lisboa

Octavian Postolache,

Director of Science and Information Technology PhD Program in ISCTE-IUL;
Senior Researcher and Director of Instituto de Telecomunicacoes IT-IUL

18:00 Prizes

Conclusion Remarks and Closure

Closure cocktail

* invited; waiting for confirmation
